Dear Members:

We know that there is a growing concern as the outbreak and impact of the coronavirus (COVID-19) continues to evolve. At Northland Community Credit Union, ensuring the safety and well-being of the employees, Members and Community we serve has always been a top priority. We are continuously monitoring the COVID-19 situation here in our state and local community and are taking the appropriate efforts to keep everyone healthy.

We ask for your assistance as well and request that if you are sick or experiencing flu like symptoms, please consider using our online services, teller 24, night depository or even the drive-thru and let the staff know that you may not be feeling well, so they may take appropriate precautions as well.

Let us know if you need anything as we work through this situation together. We thank you for your understanding, cooperation and mostly for your Membership!
